Sahag-Mesrob Armenian Christian Pre-School 2012

A Peek at Our Weeks

Wow! Can you believe a whole month of school has already gone by? We have been very busy in the classroom learning how a school day goes. The Children are doing wonderful and are a joy to teach. Our Themes this month were "Back to School", "All about me", "Apples", and "Family/Grandparents". The Children learned the colors "Red", and "Blue" and the Circle shape. They learned the letters A, B, C, and the numbers 1, 2 and 3. In Bible they learned about the Creation and memorized Genesis 1:1. They enjoyed many circle/story times and learned new songs, poems and prayers.

Upcoming Events

- October 16- Fire Department will bring a fire truck to our school and will teach the children about fire safety.
- October 31- Harvest Day

September Birthdays

Happy Birthday to Darron (K4)
