

Sahag-Mesrob Armenian Pre-School

April 2013 News

Happy Birthday to **Mrs. Lucy**- April 18.
Special thanks to all parents, students and teachers for making Mrs. Lucy's day so special with cupcakes, flowers and gifts.

A recap of our April activities...

- This past month, we explored concepts on how people move, grow and change. We read stories about following the leader, dancing, changing and growing. We read lots of stories like Let's Move, Follow the Leader, The Dancing Turtle and Do Like a Duck Does.
- We learned lots of new letters, numbers and shapes.
- For shapes, we focused on the arch.
- For colors, we continue to celebrate spring with pastels and orange.
- K2 focused on the number 9, while K3 went over 13 & 14. Both groups learned the letters Ww, Xx & Yy.
- K4 learned the numbers 20, 21, 22 & 23 as well as the letters Yy & Zz.
- Students learned about the Armenian Genocide and paid their respects by placing flowers in front of the school's Khatchkar.
- We also learned all about the story of Daniel in the Bible.
