## February 2014 News

### Special Thanks...

Thank You to our special speaker Mrs. Anna Babayan who educated our children about dental health, and gave each child a tooth brush.

### February Birthdays

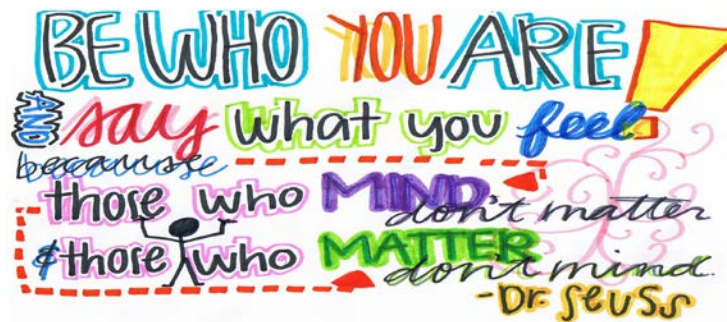

- K2 Joseph Sepilian
- K3 Avo Klahejian
- K4 Stephanie Mazmanian

### Scholastic Book Orders

Due Friday March 7.

### A Peek at Our Weeks...

- This past month, we explored concepts on how people live, work and play. We learned all about people and their work. What do people do for work, what tools and equipment can help make their job easier, how do people build, etc. We read lots of stories like **the Three Little Pigs and the Elves and the Shoemaker.**
- We learned lots of new letters, numbers and shapes.
- For shapes, we focused on the heart.
- For color, we celebrated the month with pink.
- K2 learned the number 7 & the letter Ii, while K3 learned the numbers 10 & 11 and the letters Mm, Nn, & Oo.
- K4 learned the numbers 14, 15 as well as the letters Qq, Rr, Ss & Tt.
- We also learned from the Bible how Jesus loves all the little children and learned the Bible verse John 15:12a.
- Students presented a Vartanants program on Feb. 27.

### Special Thanks...

Thank You to our guest speaker Mrs. Davidian who was gracious to conduct the chapel service with a Bible story for the preschool children.
