welcome back!!!

Welcome back!! We are thrilled to see our returning students and excited to have met our new students. We look forward to a fun and educational year! We thank you for sending your precious gems to SMACS. We are a close family and want to ensure that we do everything we can to provide our kids with the best education and a safe environment.

We had a great time in the month of August. With an amazing turn out at our pre-school back to school night we were delighted to see our returning families and meet new families!! It was a pleasure to see the smiles on the kids' faces as they hugged their old classmates and exciting to see the curious expressions on the new students entering into the new world of pre-school.

We look forward to having a great year!

lesson recap

With all the excitement this month our Pre-K class learned many new things.

K-2 & K-3 learned the letters Aa and Bb, the circle shape and the color Red. We sang ABC's and were introduced to counting numbers 1-10. We also learned the numbers 1 & 2.

Our K-4 students learned to write the letter Aa and the numbers 1 & 2. They sang the Alphabet song and the Armenian alphabet. During story time we read the following:

My friend and I

Lots of feelings

The Little Red Hen

The Lion and The Mouse

In Bible Class the pre-school students learned about The Creation and the Bible verse Genesis 1:1

With Show & Tell on Fridays, students brought their favorite stuffed animal. We had Bears, Snakes, Princess' and all sorts of furry friends hanging out! And of course our family photos made it to Show & Tell! These pictures were hung in the classrooms to reassure our kids that their families are always with them!

Rice Crispy FUN!!!

This month we made rice crispy treats dipped in chocolate and sprinkles! The kids had a blast making these treats! Here is Mrs. Lara's class waiting patiently to take a bite out of their goodies!!
