

Sahag-Mesrob Arm. Christian Pre-School January 2013 News

Welcome back to school after a fantastic Christmas vacation! There was a wonderful turnout for the school's Open House. Thank you to all who promoted the school and event!

What we did in January...

- This month we focused on everything "Animal". What does a pet need to remain healthy? How do we treat animals as living things? Do animals have feelings? What kinds of animals do people have as pets? What other types of animals are there? Kids had a blast discovering new things about animals they love.
- The colors for the month were white, grey and blue so all artwork focused on utilization of those colors.
- K2 studied number 6 and letters Ll & Oo.
- K3 studied the numbers 8,9,10,11 and letters Ll & Oo
- K4 studied numbers 11,12 and letters Nn & Qq
- All classes learned the rectangle shape
- In Bible, we learned the story of Samuel and Bible verse 1st Samuel 3:9
- We had an in school field trip where we walked around the school down to the orange trees, picked oranges and then went back to class and made fresh squeezed orange juice. The children had an amazing time.
- We also read "The Gingerbread Man" story and then baked gingerbread cookies. This was a hands on interactive activity. Kids had great fun!

Looking Ahead...

- | | |
