A Peek at Our Weeks...

- This past month, we explored concepts on how people live, work and play. We learned all about people and their work. What do people do for work, what tools and equipment can help make their job easier, how people build, etc. We read lots of stories like the Three Little Pigs and the Elves and the Shoemaker.
- We learned lots of new letters, numbers and shapes.
- For shapes, we focused on the rectangle, heart and oval.
- For colors, we celebrated the month with pink and purple.
- K2 learned the numbers 7 & 8 while K3 learned 10 & 11. Both groups learned the letters Pp, Qq, Rr, and Ss.
- K4 learned the numbers 13, 14, 15 & 16 as well as the letters Rr, Ss, Tt, and Uu.
- We also learned all about the story of Joseph in the Bible.

Special Thanks...

Thank You to our special speaker Mrs. Anna Babayan who educated our children about dental health, and gave each child a tooth brush.
